President's Message

President Terry Harter

Our July campout was at Watkins Mill State Park just west of Kearney, MO. In attendance were: McClains, Gunns, Harters, Dunlaps, McKittricks and Robertsons.

Teresa came out Saturday for the meeting and lunch. Due to virus restrictions, we had pot luck meals instead of going out to eat.

During our Saturday morning meeting we discussed and approved a camping schedule for 2021. The Missouri State Park Reservation Policy has changed to allow reservations 12 months in advance. We approved the 2021 camping schedule so our members could make reservations for next season. Following the meeting several of us reserved our State Park sites for April, May and July of 2021.

Looking forward to seeing many of you at the next campout.

Terry

West MO 3 August campout at Camp Farwesta has been canceled. Farwesta has been closed for

the season due to Restrictions.

Dunlaps and Gunns have made reservation at Crowder State Park for Aug. 6-9th if anyone would like to join them, please do!

We will be working on our Blanket Project at this campout, so bring fabric scissors if you have them. Ruby and Laurie purchased enough material for 26 blankets with the West Mo 3's donation. Dunlaps also donated material for 4 blankets. If you would like to donate material, it takes 1 ½ yards/blanket. I'm sure we will be working on this project more than one weekend, but we hope to get a good start on it at Branson.

Reminders

We are unsure of what restaurants will be open, and we may not be able to find a restaurant that will take our size group. So, we have decided to come prepared for potlucks. Ladies, please bring 1 meat, veggie(side), dessert, and bread dish. We will get together to see what everyone brought, and then decide what to have at each meal.

*For my meat dish I will be bringing Crockpot Pizza.

Gunns and Dunlaps will be attending the Branson Sight and Sound performance of NOAH at 7:30 PM on Wednesday, Sept. 9th 2020. We are in section 202 if you would like to get tickets and join us.

We would like to welcome new West Mo 3 members, Jim and Brenda Rush. Jim and Brenda are from Troy, KS and are friends of Dennis and Freda. Welcome to the club. We look forward to camping with you soon!
