President's Message

Our first get together was at the Holt City Park for a picnic at noon on May 15th. In attendance were Teresa Tribble, Walter & Ruby Gunn, Tom & Judy McClain, Larry & Louise Williamson, Lou & Laurie Dunlap, Terry & Debbie Harter and Joe Robertson. We missed Betty as she is recuperating.

We had a short meeting. We inducted the new officers and talked about our next campout in Branson. Several things in Branson will be closed, but we voted to go on down to Treasure Lake. We are ready to get our campers on the road again.

Looking forward to seeing everyone in June,
President, Terry Harter

Reminders

We are unsure of what restaurants will be open in Branson, and very unlikely any restaurant would take our size group. So, we have decided to come prepared for potlucks. Ladies, please bring 1 meat, veggie(side), dessert, and bread dish. We will get together to see what everyone brought, and then decide what to have at which meal. The grocery stores are open, so we can make our usual run to get what we need.

*For my meat, I'm making Tacos/taco salads and yes my ground beef is from one we had butchered in January **not** from China. lol*

West Mo 3 is doing fleece blankets for our Mission Project in August at Farwesta. If you come across any fleece on sale we need at least 36 X 45 inch pieces.
