President's Message

Greetings,

Our May campout was a huge success. There were the GUNNS, DUNLAPS, HARTERS, McKITTRICKS, RUSHES, ROBERTSONS, and TRIBBLES (who attended the meeting on Thursday) in attendance. We had an excellent spot to camp at Crowder State Park as four of us just happened to take up most of a circle, with a campfire and food table in the middle. Devotions were given by Joe and Brenda on Wednesday and Thursday. We camped in the middle of the week, which was a bit of a difference, in that we usually camp to include the weekend. Some did stay for the weekend although. I for one, liked the week campout, and I think it would be great to do one or two in the future. Our meeting was short. In our discussion we talked about other Chapters turning in their charters to the National and their reasons why. We also discussed West Mo 3 doing the same. It was decided that we think about it, there are pros and cons as in every discussion, the largest pro is our size. Our next campout, in June, we will be at Treasure Lake in Branson, MO. Some of us are going to stay a bit longer and enjoy the sites and sounds of Branson.

Hope to see you at Branson.

Joe Robertson
President

Reminders

Be prepared for a few potluck meals. Most of the businesses in Branson are open so we shall have no trouble finding places to eat.

We completed several mission blankets at our last campout and we will work on them again at Watkins Mill in July.

Lou and I plan to arrive at Treasure Lake around June 3rd and stay a couple weeks. If you do not have a membership to TL, but would like to come visit Branson during that time, let me know and we can get you in as our guests.
