President's Message

Greetings:

Our camping at Watkins Mill was a good one. We had five families at our campout- DUNLAPS, GUNNS, HARTERS, McKITTRICKS, ROBERTSONS and a visit from the WILLIAMSONS and RUSHES. The weather did its usual thing, rained, but we didn't let that stop the fun and good times that we had. Had a great potluck and ate out a couple of times. We had good Bar-B-Que at the Wabash in Excelsior Springs and a very good meal at a family restaurant in Lawson. The girls cut and tied blankets, I don't remember just how many they got finished, but several. All in all we had a very relaxing campout. Our next campout will be at Farwesta, hope the fishing will be good.

See you there,
Joe, President
