## *President's Message*

President Terry Harter

Our September campout was at Treasure Lake Resort in Branson, Mo. Along with our West Mo 3 Campers we had several guest. Harold and Connie Darling came up from Texas to join us. Ozark 10 members: Steve/Paulette Roberts and Tom/ Sandy Shouse also joined us. It was also nice to have Tom and Sandy's daughter, son-in-law and great granddaughter with us for the weekend.

For our Mission Project this year, we are making Project Linus Blankets. Each blanket requires about 200 knots tied. We completed 20 blankets and hope to finish more at our next campout.

At our Saturday morning meeting, we voted to accept the slate of officers for the NUMC National officers. We also voted on the West MO 3 officers for the 2021 season. Our next campout is at Wallace State Park at Cameron, MO on October the 8<sup>th</sup>-11<sup>th</sup>.

Hope to see you all there!

Terry
